

REMARKS

Claims 1-41 were previously pending in this application. Claims 1, 18, 20, 21, 22, 23, and 28 were amended in the After Final Amendment. No new claims have been added. As a result claims 1-41 are pending for examination with claim 1 being an independent claim.

Claim Amendments

The Advisory Action mailed June 22, 2007 indicates that the amendments included in the After Final Amendment were not entered because the amendments "raise new issues that would require further consideration and/or search." Applicant expressly requests entry of the After Final Amendment.

CONCLUSION

In view of the foregoing amendments and remarks, reconsideration is respectfully requested. This application should now be in condition for allowance; a notice to this effect is respectfully requested. If the Examiner believes, after this amendment, that the application is not in condition for allowance, the Examiner is requested to call the Applicant's attorney at the telephone number listed below.

A petition and a fee for a one month extension of time are included herewith. If this response is not considered timely filed in view of the petition and fee and if a request for an extension of time is otherwise absent, Applicant hereby requests any necessary extension of time. If there is a fee occasioned by this response, including an extension fee that is not covered by an accompanying payment, please charge any deficiency to Deposit Account No. 50/2762, Ref. No. C113-700110.

Respectfully submitted,
Kim Ngoc Vu, Applicant
